

## Food Stamp Gross Income Chart

Find the number of people on Food Stamps in your household. The amount listed next to this number is the maximum amount of income allowed for your household size.

Income includes wages, self-employment, social security, unemployment compensation, child support, etc. "Gross" means before taxes are taken out.

You must report to your worker if your income goes over this amount.

<b>Household Size</b>	<b>Maximum Gross Monthly Income 130% of the Poverty Level</b>
1	\$1,127
2	1,517
3	1,907
4	2,297
5	2,687
6	3,077
7	3,467
8	3,857
9	4,247
10	4,637
Each Additional Member	Add \$390
